DUBLIN 2013
FIP WORLD CONGRESS
31 August - 5 September

Welcome

This year Ireland is hosting the FIP World Congress for the first time since 1975. The FIP 2013 Local Host Committee is pleased to announce a **reduced one-day rate for pharmacists registered with the Pharmaceutical Society of Ireland (PSI) or the Pharmaceutical Society of Northern Ireland (PSNI)** who wish to attend the Dublin congress for the purposes of continuing professional development.

With this year's event taking place in Dublin at the end of the summer, the **Local Host Committee** wishes that as many local pharmacists as possible have the opportunity to attend this prestigious event so close to home. There are programme streams of interest to all areas of pharmacy practice.

PSI and PSNI registered pharmacists can attend for €250 on one of the main congress days, Monday 2nd to Thursday 5th September .
