FOR USE IN THE EVENT OF AN ELECTION – BIOGRAPHY FOR PUBLICATION

If there are more nominations than vacancies available on the PSI Council, an election will be called. For the purpose of informing the electorate (registered pharmacists) about you, you may wish to outline, in not more than 300 words, relevant biographical information and state why you wish to be appointed to serve on the PSI Council. This is not a mandatory requirement; any biographies provided will be made available on the PSI website.

A large, empty rectangular box with a thick grey border, intended for a biography. The box is centered on the page and occupies most of the lower half of the document. There is a small vertical line on the left side of the box, approximately one-third of the way down from the top-left corner.
